# President's Welcome

Welcome to Whitehorse Concerts 2024-25 season!

The Whitehorse Concerts Board of Directors is looking forward to an exciting fall and winter classical music season that features a wide variety of visiting artists and local artists. We welcome you to join us Saturday evenings at the Yukon Arts Centre Main Stage, for the Air North Concert Series, and Sunday afternoons at Whitehorse United Church

for the Downtown Recital Series. We are also pleased to acknowledge the sponsors whose interest and assistance makes these concerts possible. We are grateful to the Government of Canada, Government of Yukon, Lotteries Yukon, and Air North, Yukon's Airline. Their support echoes in every note.

# Together, we're a symphony.

Every flight is an orchestration.

Our operations team coordinates the rhythm. Reservations and passenger services provide the harmony. Aircraft maintenance engineers and our ramp team ensure every detail is pitch-perfect, while our flight attendants and pilots bring sky-high professionalism. The final, delightful touches from our Flight Kitchen and catering team complete the composition.

It's the notes they play together, in unison—along with every other unsung department—that keep us in tune, on beat, and at the standard our customers expect.

**That's how we perform. That's how we fly.**
